

## LAURENT 14

The Laurent Collection distills the milk globe to its essential relationship between circle and sphere. A series of thin forms compliment the Laurent globes—forms that carve through space, moving between line, surface, and volume. These forms combine in endless patterns, making it possible for an installation of Laurent lamps to inhabit any space with subtlety and quiet strength.

- type:** suspension
- construction:** polished brass, powder coated aluminium or nickel plated steel frame  
handblown opaline glass globe  
powder coated aluminium or brass hardware  
polyester cord
- specifications:** source: LED lamp provided (G9 base)  
power consumption: 7x 4,5W  
lumen output: 2136lm  
colour temperature: 2700K included  
\* 3000K available upon request  
colour rendering index: 80 CRI standard  
\* ≥ 90 CRI upon request  
expected lifetime: 25 000h
- control:** refer to our recommended list of dimmer models
- cord length:** fixed length to be determined by the client
- aircraft cable:** to be determined by the client (adjustable length)- min 4"
- weight:** brass/nickel plated: 39.5 lb / 17.9 kg  
aluminium: 29.3 lb / 13.3 kg
- certifications:**    
- warranty:** 2 years

\*dimensions are approximate and may vary slightly
