

Mile ATELIER

01

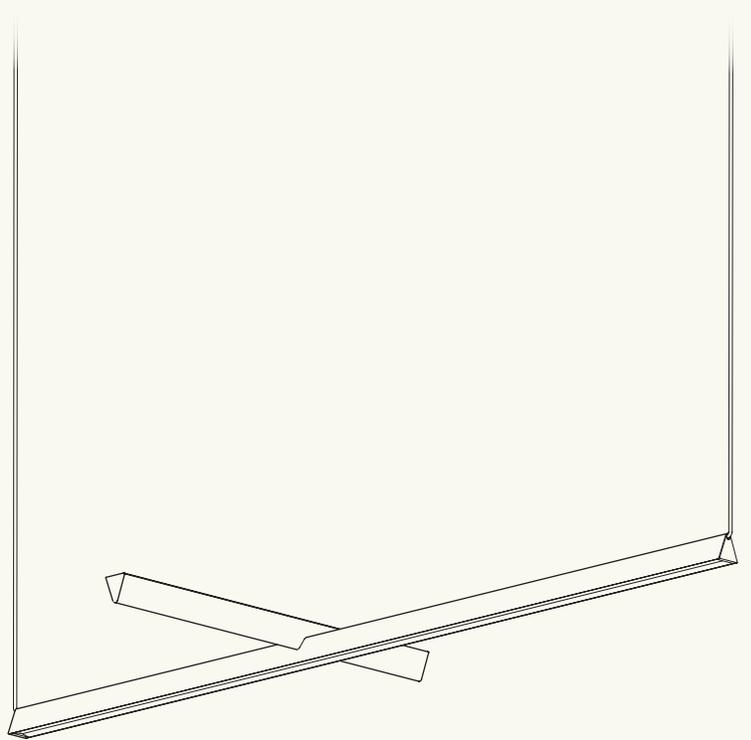

Mile ATELIER

01

With its aluminum body, the Mile Atelier offers a mirror-like finish, reflecting the surrounding space while providing a unifying focal point. The elongated line, a vertiginous display of balance, provides a grid-like room divider that's both playful and discrete. It seems to melt into the scenery and frame it at the same time.

Mile Collection is a collaboration with designer Guillaume Sasseville.

CONSTRUCTION

- polished aluminum body
- frosted acrylic diffuser
- braided steel cord

COLOR

- Polished aluminium
