

BEAUBIEN ATELIER 01

Guided by the images of a waterfall and a weeping willow, the Beaubien Atelier 01 provides a vertical focal point that elevates the room it lives in.

When viewed from afar, its delicate rose hue seems to change before our very eyes, as if the light itself was warming up; the elusive nature of the Beaubien Atelier 01 creates a dreamlike, meditative atmosphere, both comforting and striking.

TYPE	Suspension
CONSTRUCTION	Powder coated aluminum and brass body Frosted milk glass tube
SPECIFICATIONS	Source: LED lamp provided (G9 base) Power consumption: 8 x 2.5W Lumen output: 2400lm Colour temperature: 2700K included * 3000K available upon request Colour rendering index: ≥ 90 CRI standard Expected lifetime: 25 000h
